

Environmental Services

A German-Focused Update

E-CS-73a
5/15/92

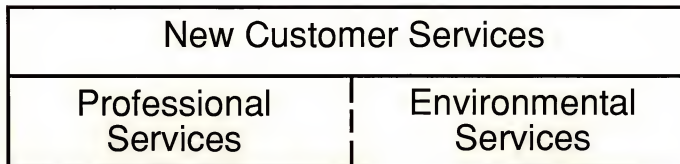

Environmental Services

Key Findings

- Equipment vendor portion of German market growing at a % CAGR
- Integrating systems and workplace technology is key driving force

E-CS-74a
5/18/92

Market Segmentation

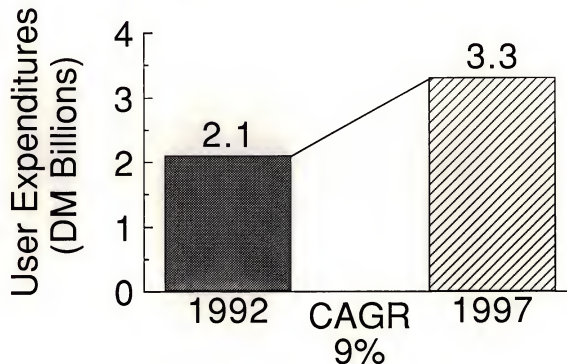

- ↓
- Consultancy
 - Design
 - Project mgmt.

- Computer room
- Cabling
- Power
- Installation

5 = Disaster Recovery

6 = Security Services

E-CS-102

Desktop Services

- One solution
- Open window
- Range of approaches

E-CS-103

4/24/92

Traditional Desktop

- PC supply
- Network/server
- PC/printer maintenance
- Installation
- Training

E-CS-104

4/24/52

New Services

- ASP supply/support
- Help desk selection/supply
- Problems management
- Planning/administration
- Network upgrades
- Application development

E-CS-105

4/24/92

Approaches

Standalone

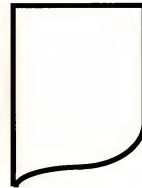

1.

Solution

Outsourcing

2.

3.

E-CS-106

Selection Criteria

- Network expertise
- Single supplier
- Up-to-date
- Independence
- Pan-European

E-CS-107

4/24/02

Digital's Service Offering

- Part of Bespoke Services
- 4 service lines
- Mix and Match
- Sales - Force
 - DECdirect

E-CS-108

Digital

Strengths	Weaknesses
• Name • Catalogue • Networking • I-stop • Multivendor	- Hardware image - Confusing offerings - Impartial? - Not highlighted

E-CS-109

Hewlett-Packard's Service Offering

- Standard contracts
- Multivendor—including 3rd-party software
- Consultancy/customisation
- Specialist groups

E-CS-110

Hewlett-Packard

Strengths

- Premier on support
- Tailored contracts
- Strong networking
- Support for Oracle, Ingres, etc.
- Own & multivendor

Weaknesses

- Differentiated
- Technical orientation
- Weak SO

E-CS-111

PrimeService's Service Offering

- Network planning/design
- Single-source 'Desktop'
- Standard supply/maintenance
- Multivendor 'One-Call'

E-CS-112

PrimeService

Strengths	Weaknesses
• Software skills • Integration skills • Networking • Multivendor	- Specialist - Technical - Commercial - Marketing clout - Weak SO

E-CS-113

Computeraid Service Offering

- Blank paper
- Selective large contracts
- Learn on the job

ECS-114

Computeraid

Strengths	Weaknesses
• PC hardware maintenance • Help desk skills • Financial • Clear strategy	- ASP skills - Maintenance culture - Selling to end users

E-CS-115

Data Logic Service Offering

- Branded product/service
- Mix and match
- Installed base
- Pan-European intention

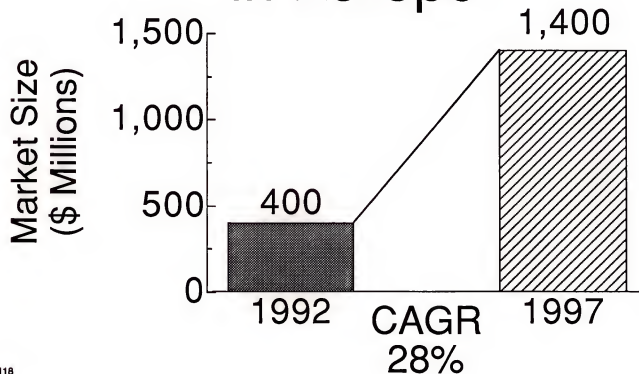

E-CS-116

Data Logic

Strengths	Weaknesses
• International • Skills mix • Focussed service line • Independent	- Uneven - ASP skills - Pan-European(?)

E-CS-117

Desktop (+Maintenance) in Europe

E-CS-118
3/18/93

INPUT

Equipment Suppliers

Strengths	Weaknesses
• Expertise • Large IBs • Financial • CS organisation	- Product oriented - Resources - Channel contention - Slow to change - Not impartial

E-CS-119

4/24/92

IMOs

Strengths	Weaknesses
• PC expertise • Incentive • Independent	- Financial - Software skills - Maintenance cultures

E-CS-120

4/24/42

Recommendations

- Strategic repositioning
- Acquire key skills
- Position migration

E-CS-121

IBM: Strengths and Weaknesses

Strengths	Weaknesses
Expertise	Cumbersome
Cabling system	Software
Credibility	Structures
Financial strength	Third-party
Alliances	relationships
Marketing	

E-CS-122
5/18/92

Digital: Strengths and Weaknesses

Strengths	Weaknesses
Size and coverage	Lack of perceived indep.
Network expertise	Confusion over role
Building focus	Large enough to be threatening
Project management	CSO contention
Alliances	

E-CS-123
5/18/92

Systems Vendor: Strengths and Weaknesses

Strengths	Weaknesses
Growth	Spread too thin
Vertical marketing	Product orientation
Open systems	Management of alliances
Desktop emphasis	Not targeting

E-CS-124
5/18/92

Telekom: Strengths and Weaknesses

Strengths	Weaknesses
Size	Fragmented approach
Presence	Voice rather than data
Networking expertise	Marketing Image

E-CS-125
5/18/92

Specialist Consultants: Strengths and Weaknesses

Strengths	Weaknesses
Independent	Small
Specialist/professional	Limited scope
Networking	High-tech image
Project managers	Marketing

E-CS-126
5/18/92

Professional Services Vendor: Strengths and Weaknesses

Strengths	Weaknesses
Design and build	Small
Network expertise	Limited scope
Open interoperability	Dangerous middle ground
Alliances	OEM contention

E-CS-127
5/18/92

Building Technical Services: Strengths and Weaknesses

Strengths	Weaknesses
Range of expertise	Smaller mostly
Traditional image	Limited finance
Vertical marketing	Need alliances
Independent	Limited project size
